SEAN KING

OBJECTIVE

To further develop my knowledge and skills and to gain valuable experience for my future.

WORK EXPERIENCE

ART DIRECTOR

2/2009 - Present InVisM, Inc., Greenwood Village, Colorado

- Design the user interfaces for products that have won numerous awards
- Responsible for the design of all product deliverables including DVD labels, logos, interfaces, print materials, and final trailers
- Establish requirements, review deliverables, and support contractors on the design and layout of interfaces as well as video
- Create websites, video training modules, and all print work needed
- Design and construct logos that are on products in front of more than half a million users
- Top Secret Security Clearance

PROBONO WORK

9/2009 HDSA Rocky Mountain Chapter

- Lead and managed team of designers throughout project
- Produced print brochures, webpages, and various documentaries of different events

LOGO DESIGN (CONTRACT)

6/2007 - 11/2008 Awesome Orthodontics, Parker, Colorado

- Worked directly with company ownership to identify and capture brand image expectations and requirements
- Developed initial designs using Adobe Photoshop and Illustrator
- Presented designs to ownership for feedback and sign off

WEB DESIGNER (CONTRACT)

5/2006 - Vincent's Drugstore, John's Island, South Carolina

- Contracted to take over the web site design from a firm that was not delivering as expected
- Met with company leadership to understand the goals of the site (e.g., customer experience, user demographics, success metrics, etc)
- Completed and presented a complete web design to company leadership. The design was very well received and I was given authorization to build the site
- Built and deployed the site using Adobe Dreamweaver CS3
- Contracted to maintain the site as needed
