TO WHOM IT MAY CONCERN,

With my background in digital design, I am confident that I would make a very successful and creative addition to your team. Having worked for a company in the gaming and simulation industry, I have been exposed to a number of aspects of the design world. My experience as the Art Director at InVisM, Inc. demonstrates my capability to work with and lead others throughout the creative design process while meeting the challenges presented to me.

I would appreciate the opportunity to make a substantial contribution by exploring the world of design through CaridianBCT. I welcome the opportunity to meet with you to further discuss my candidacy. Thank you for your time and consideration.

**BEST REGARDS,
SEAN KING**
